The 14 Passenger Handicap accessible bus through many generous community donations

(Not pictured) we have a wheelchair accessible Dodge BraunAbility Van Donated in Honor of the Hanway Family of Monon.

These pictures of various projects done over the years are the result of donations from you, our community supporters. Either through grants or yearly direct mail donations or given in honor of loved ones. As you can see they enhance the beauty of our facility. Some gifts add convenience or improve our ability to offer our dear residents opportunities to be mobile and active. We cherish your kindness and cannot do the many things we do without your generosity. Covid has changed many lives but not the desire for Parkview Haven to be here to assist our neighbors in their needs. Thank you for helping us show God's love through you. The true gift of sincere compassion and trust.
